#### PRACTICE / FILM STUDY

- Spend some time alone with God and ask Him if there are areas of your life that require immediate reforms in order to become and to accomplish all that He intended. What do you hear Him saying? Write down what you hear or sense in a journal and make declarations for change moving forward. Share them with a trusted friend or group of friends so they can support and pray for you.
- If you don't already have one in place, develop a consistent practice of recognizing, acknowledging, and properly dealing with the sin that surfaces in your life. Verbally confess it, renounce it, and repent or turn away from it. Ask the Holy Spirit daily to examine your heart and reveal any areas of unconfessed sin you may not be aware of. Find one or two people you trust and meet together regularly to encourage each other and confess sin to one another.
