Sermon Notes

1. “We make a living by what we get, but we make a life by what we give.”
Winston Churchill
2. Jesus offers us more than wisdom to consider; He offers the grace necessary to apply the wisdom.
3. God wants to: break our addictions to false security; help us understand our identity and destiny; and lead us into increased blessing, freedom, and effectiveness!
4. Grace is God’s power operating in our specific abilities, behaviors, and areas.
5. Grace also means “that which brings joy and pleasure.”
6. We were designed to be givers!
7. We experience blessing when we live in harmony with our design. We are never more fully human than when we give.
8. The grace of giving increases through practice. (Hebrews 5:14)
9. Failure to apply leads to spiritual dullness.
10. Grace-powered givers disarm the power of money and discover God’s power flowing through them. They reverse the curse.
