

**Sermon Discussion Guide - February 2, 2025  
Heaven, part 5**

Pastor Mark is continuing his series on heaven with “You See the Truth Everyday.”

- 1. If you could fix one thing in the world, what would it be and why? How would fixing that one thing make your life better?**
- 2. Read Revelation 20:1-8**
  - *What questions do these verses bring to your mind?*
- 3. Pastor Mark said that there are three facts about this millennial age: 1) The era is tied to a specific timeline, 2) Jesus fulfills prophecy and rules on the earth and 3) it is without the influence of the deceiver and his influence.**
  - *Look back at Revelation 20:1-8. The opening question was about what you would do to fix the world, but what does this passage say about what Jesus does to fix the world?*
- 4. Read Romans 1:18-20 and Hebrews 4:12-13. These passages tell us that all people are “without excuse” of knowing about God because of His word and His creation.**
  - *In what ways does the Bible reveal God to all people? How has God revealed Himself to you in His word? What does your Bible reading look like?*
  - *In what ways does creation reveal God to all people? Why do so many people deny God’s existence in spite of creation? How does creation reveal God to you?*
- 5. Read Psalm 19 together as a group.**
  - How does this Psalm encourage you?
  - How does this Psalm challenge you?
- 6. How can your group pray for and support you in light of today’s discussion?**
