# My Application

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or small group.

- 1) As you read the story of Dorcas (Acts 9:36-42), what stands out to you most? Explain.
- 2) What does it mean to be a disciple? Why is discipleship critical? (Matthew 28:19-20) Have you ever been disciplined by another person? Describe the experience and how it changed you.
- 3) What void are you filling right now? How is this helping others and helping you?
- 4) Peter was probably intimidated by the expectation that he could heal Dorcas. Describe a time when you showed up to help and God did something amazing.

## Memory Verse

*This is a trustworthy saying. And I want you to stress these things, so that those who have trusted in God may be careful to devote themselves to doing what is good. These things are excellent and profitable for everyone.*
