

WHAT'S **AFTER** ATX

Evidence for the Afterlife Selected Scripture

1. Is there evidence for life after death?
2. What will heaven be like?
3. So, what does this mean for us today?

MY APPLICATION

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or small group.

1. What has been your prior picture of heaven? What did you think it was going to be like, and did you look forward to going there?
2. As you think about the number of people who have experienced a Near Death Experience (NDE) and the scientific studies done, are you inclined to give some validity to NDEs? Why or why not?
3. What does the Bible say about the new bodies we will receive in heaven? (Read 2 Corinthians 5:1-9; 1 Corinthians 15:35-58; Daniel 12:2-3; Matthew 13:43) What are you most looking forward to about your new body?
4. If heaven is as good as the Bible and NDEers describe, how does that change your view of the way we should live our lives today? Are there any changes you feel God would want you to make?

MEMORY VERSE

"We are confident, I say, and would prefer to be away from the body and at home with the Lord."

2 Corinthians 5:8
