## *A STUDY OF THE BOOK OF GALATIANS*

### Burdens and Needs *Galatians 6*

1. We experience and express our God-given \_\_\_\_\_ as we \_\_\_\_\_ one another in love.
2. Every burden is \_\_\_\_\_ when we share the \_\_\_\_\_ and shoulder the \_\_\_\_\_.
3. Every \_\_\_\_\_ is met when we \_\_\_\_\_ in each other.

# MY APPLICATION

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or small group.

1. Read though Galatians 6:1-10. What are the specific ways we can “serve one another in love?” (See Galatians 5:13-14) Can you think of a time when you received service from another church member? What was that like?
2. When you see a Christian struggling with the burden of sin, what do you feel inside? Share an example. Have you ever tried to step in? How does this passage (Galatians 6:1-10) guide us in bearing the burden of someone who has fallen off the path? What is the goal?
3. We are also called to “carry our own load” (Galatians 6:5). What would you say are the normal responsibilities each of us have as Christians to be productive in serving others in love? What are some of the distractions that can keep you from doing your part?
4. Read Galatians 6:7-8. If you think of planting a seed (sowing) as an investment, what will you expect to gain as you financially and personally serve others? Share an example of a time when you gave to a ministry or served another person and saw a great return on your investment.
