3. Life (Land) as a \_\_\_\_\_
4. Life (Land) as an \_\_\_\_\_

# MY APPLICATION

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or small group.

1. As you think about your life before the pandemic and what it is now, what do you miss most? Has God shown you any unhelpful things from that time that you will not bring back into your life after the pandemic is over?
2. In Deuteronomy 11:2, God told the people that they had seen and experienced things God used to discipline them (the word ‘discipline’ means to instruct or train). Do you view your life as a learning experience with God as your teacher? Give some examples of how God has taught you things about himself through your life circumstances.
3. When God gave Israel the land of Canaan, what was He going to teach his people through the land? Read Deuteronomy 11:8-28. What stands out to you most about how God works with his people in this way?
4. In practical ways, give examples of how God has shown you that He is (or could be) your Provision, your Passion, your Protection, and your Priority. Which of these are you confident in and with which do you struggle?

## MEMORY VERSE

*“Now all has been heard; here is the conclusion of the matter: Fear God and keep his commandments, for this is the whole duty of man. For God will bring every deed into judgment, including every hidden thing, whether it is good or evil.”*

Ecclesiastes 12:13-14
