# MY APPLICATION

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or small group.

1. Share with your group an example that illustrates how you struggle to wait well?

2. Share an instance where you realize the failure to wait well led you to make a poor decision, and share what the ramifications were.

3. Why do you think we tend to be passive while we wait instead of active? Is there an area of your life where you could take action as you wait?

4. Do you tend to wait in expectation that God is working? Why or why not?

5. Is it easy or hard for you to believe that God is working as you wait? Can you think of a time where God worked while you waited? What work did He do?

6. Read John 14:1-3. Do you see that the palace you are ultimately waiting for is the one Jesus is preparing for you? How does the truth of this 'Good News' encourage you in your waiting now?
