MY APPLICATION

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or small group.

1. When we see who God is, it changes everything. What are some challenges in 2020 that are put into perspective when we see who God is?
2. Read back through Psalm 103. What are the attributes of God you find the most amazing and why?
3. In Psalm 103, we see that God is merciful and full of grace for those who love Him. What is the difference between grace and mercy, and what does that mean for us?
4. Identify one or two things that you are grateful for in 2020 and share those things with your family, friends, or small group.

MEMORY VERSE

“Praise the Lord, my soul, and forget not all his benefits – who forgives all your sins and heals all your diseases, who redeems your life from the pit and crowns you with love and compassion, who satisfies your desires with good things so that your youth is renewed like the eagle’s.”

Psalm 103:2-5
