

MY APPLICATION

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or small group.

1. When you hear the phrase ‘Made to Be More,’ what comes to mind for you? Read Ephesians 2:1-7. Discuss where you were before you accepted Jesus and how your life has changed. Do you relate to what Paul is saying about what God has done for you? Explain.
2. What comes to mind when you hear the word masterpiece? Give some examples of the difference between a functional masterpiece and a piece of art. Why is it so important that we make the shift from seeing ourselves as a volunteer to a masterpiece? Do you think you have made that shift? Explain.
3. We value rugged individualism in our culture. Read Ephesians 2:19-22. Why is it so important to live out our masterpiece mission with other believers? How is that both encouraging and challenging? Give an example of someone you know who models this.
4. When you look at your current lifestyle, do you feel you are living out the good works that God prepared for you to do? (Note: This is not about being a good person. This is about fulfilling your part in God’s mission.) Do you know your missional calling? How will you seek to grow into what God has prepared for you?

MEMORY VERSE
