God's Direction for 2022

Joshua 1:1-9

1. The direction of our lives is ready now.
2. The direction of our lives is service for "them."
3. The direction of our lives requires strength and courage.
4. The direction of our lives is done with Jesus.

MY APPLICATION

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or small group.

1. If God were to ask you how you wanted him to use your life and it would happen, what would you say? Why?
2. Read Joshua 1:1-2. How do you think Joshua felt about succeeding Moses? How would you have felt?
3. Read Joshua 1:2-3. Joshua was to serve as a leader for the benefit of the Israelites. What group of people might God be calling you to serve?
4. Read Joshua 1:6-9. Why do we need to build strength and courage to live out God's direction? Do you treat God's Word the way God commands Joshua to treat it? How about starting a daily time reading the Bible this year?
5. Read Joshua 1:5 and 1:9. Why do you think God promises to be with Joshua? Does God make the same promise to you? How does that help you?
6. What direction do you think God is calling you to in 2022? What could be a next step to living that out? If you don't know your direction, how about taking the class on calling? (hcbc.com/called)

MEMORY VERSE

Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go."
