Small Group Discussion Guide
August 03, 2025

Key Scriptures: 1 Thessalonians 1:1-7 & Acts 7

Overview:

This Sunday, we had a giant celebration to thank God for all the amazing things He did during the Great Adventure! We engaged in worship, heard stories of life-change, and praised God for how powerfully He moved. And we also cheered on those being baptized!

Some Things to Celebrate about Great Adventure:

- 350 students were trained and served across the city
- 100 people went on mission trips all over the world
- 360 students showed up for Xtreme Adventure
- 35 families stepped into special needs family camp
- 730 adults served in various ways
- 3,000 people came out to SummerFest
- the gospel was shared 6,800 times
- over 250 people accepted Christ!

Discuss:

1. What is a way you've seen God at work this summer through Great Adventure that you heard about or experienced?
2. Read 1 Thessalonians 1:1-7. What was it that made these believers in Thessalonica an example to all believers around them?
3. How do you see the Thessalonian church's example of faith, love, and endurance reflected in what we've seen this summer through our church's ministry?
4. Our hope is that the priorities of the church will shape the priorities in your own life. What specific step can you take this month to live out your faith in a way that sets an example for others?

Pray:

Pray that we would each have eyes to see the ways God is at work in the lives of others around us, and that we would have the boldness to engage with others as He leads.
