

ACTS

'Acts: Week 9' by Tim Kuhl
Acts 13-20

November 2, 2025

Overview of Acts:

Acts 1-8 — The outline of the book.

Acts 4 — An early trial.

Acts 7 — An early death.

Acts 9 — An important conversation.

Acts 10 — Another important conversation.

Acts presents what Jesus set as a **priority**, and everything that happened to **discourage** it.

In other words, everything after Acts 1:8 is the fight to keep the **main thing**, the **main thing**.
