

## " Your Return on God's Truth"

**Scripture:** Luke 8:4-15

**Sermon Points:**

The seed is the same every time. The soil is different every time.

What you do with truth matters to you. What you do with trust matters to others.

NOTE: Small Group Leaders remind people that through the series we will discuss Time, Truth, Treasure, Talent & Tears. Through this series please pray and consider which topic you will focus on as an individual.

**Group Opener:**

Are you encouraged that after hearing Jesus speak the disciples had to ask Jesus "What does this mean"?

**Discussion Questions:**

1. Read Luke 8:4-15 and review what happens to each seed.
2. Jesus laid out a few core reasons why people step away from God. Have you noticed any people in your life that match those reasons?
3. Have you ever been in a season where one of those pressures made you consider walking away from God?  
What brought you through that season?
4. Jesus said that people react negatively or positively to His call on their lives. Does this motivate you to share God with people or discourage you to share Him?
5. Who is the person you can pray for to receive the news of God's love in His Son?

NOTE: We've provided a "FRANC" list on page #2 for you and your small group to use. If you have not had a BLESS focus in 2024 we'd suggest taking time to bring this focus to your small group.
