

The Call to “All In”

Scripture: Mark 10:17-22

Sermon Points:

We all frame our view of God, clearly or not.
God will call you to all of Himself. He does want you all in.
He will give you clarity. Work to hear Him through us.

Group Opener:

The name of our new series is ALL IN. Who is the first person that you met who was living ALL IN for Jesus?

Discussion Questions:

1. Do you ever wonder where you stand with God? Do you ever feel like “from a performance perspective” you don’t know if you’re “doing enough.”
2. Discuss the quote
“What comes into our mind when we think about God is the most important thing about us.” AW Tozer
3. Read & discuss Mark 10:17-22
4. Have you ever had a moment of clarity where you could define being “All In”? Was there a book, or message, or retreat you have found helpful to frame it, can you share what those have been?
5. Do you think it’s possible that God would continue to call you to move more of your life from your responsibility to His responsibility? Which week/topic do you think will apply most to you?

6. Following Jesus in water baptism is a great next step. Have a couple people share about their baptism and what it meant to them. Ask if there are people who haven’t been baptized yet and ask if the small group can support them in this. They can sign up at [HCBC.com/baptism](https://www.hcbsc.com/baptism)
