Discussion Questions:

1. What stuck out to you from today's lecture?
2. Let's take a look at the homework. What were some key take-aways for you?
3. Why do you think humility is not an important character quality in our culture?
4. Consider the five-part definition of humility given in the lecture. Is there evidence of humility in your life? Where do you need to consider growing in humility?
5. Consider the definition of committed. What does it look like or could it look like to be committed to Christ and the gospel in your life? What does it look like to be committed to the people you have been called to serve?
6. In what ways does Epaphroditus show us how to live a sacrificial life? What challenges you from Epaphroditus' example?
7. We have now completed a full study on Philippians 2 and humility. How would you define humility and how humble people live?
8. What does humility look like in your own life?
