# SHARPENING THE AXE Journeymen, April 2, 2014 Session 10: "Spiritual Disciplines: Confession"

We confess to <u>God</u> (Psalms 23:1-7)
We confess to <u>others</u> (James 5:16)
Confession = The practice of <u>acknowledging</u> our sin before <u>God</u> and a fellow <u>brother</u> in Christ.

## Why?

- Removes the <u>illusion</u> that I'm in control of my life and don't need <u>help</u>
- To lay the <u>burden</u> of sin and the accuser's <u>lies</u> about me at the cross
- To take my sin more <u>seriously</u>

# Reality

- We dare not be <u>sinners!</u>
- Isolation leads to <u>deeper</u> and more <u>destructive</u> sin habits
- Living on "self-forgiveness"
- It <u>haunts</u> and cuts our <u>pride!</u>

## **Small Group Discussion**

#### Connect

•	Did you have any opportunities to practice service this last week? If so, how did it go?
•	What are your first thoughts on Confession: the good, the bad and the ugly?
Grow	
•	Do you agree with the listed benefits of confession? Have you every experienced them before?
•	What is your biggest struggle as it relates to confession? What keeps you from practicing this discipline?
•	Who is a trusted friend you can begin to practice this discipline with? How will you incorporate in your spiritual life?
