

# MY APPLICATION

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or small group.

1. Whom do you trust? Think about the people, institutions and things in your life that you trust and compare these to your trust in God.
2. Have you ever been in a situation where you were totally outmatched and being threatened? Read Isaiah 37:14-19. How do you balance doing your part while trusting God to do His part?
3. Read Isaiah 38:1-4. When Hezekiah gets word he is going to die, how does he appeal to God? Have you ever assumed that your past faithfulness would guarantee future blessings?
4. Read Isaiah 39. How does Hezekiah's response in verse 8 strike you? In what ways could you jeopardize your legacy?
