# MY APPLICATION

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or small group.

1. Read through Isaiah 52:13-53:12. As you think about this prophecy and the fulfillment of Jesus, why is prophecy so helpful for our confidence in the Bible?
2. Which of the verses in the above passage are most meaningful to you and why?
3. In Isaiah 53:6, God describes us as sheep who wander away from their shepherd. What are some areas of your life where you tend to wander from God's will for your life?
4. Think about what Jesus experienced to provide you forgiveness and a new life. How does His suffering motivate you to live for Him? What areas of your life do you need to surrender to Him?
