

DEFYING GRAVITY

A Life Set Free

Celebrate Freedom

1. God is the owner of 100% of my money.
2. I can trust God and be content with what He gives me.
3. Debt is a bondage that robs my future and my wealth.

MY APPLICATION

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or small group.

1. Why is it so important to acknowledge God's ownership of your money? (Psalm 24:1; Matthew 6:24)
2. Is contentment a feeling or a decision? (Philippians 4:10-13; 1 Timothy 6:6-10) How does a growing trust in God help us grow in contentment?
3. Would you consider yourself a poor, average, good or excellent manager of God's assets? Explain.
4. As you look at your financial future over the next 10 years, what are you trusting God to do in your life?

MEMORY VERSE
