

Woke to Your Enemy
1 Peter 5:8-11

1. We need to be woke to the real _____.

2. We need to be woke to the real _____.

MY APPLICATION

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or small group.

1. What is the danger of not being aware that Satan is alive, well, and at work in the world? How might it change the way you think about what could be holding us back from being fully devoted and fully obedient to Jesus?
2. What are some of the best lies that Satan has used against you? (John 8:44) What are some lies that we tend to believe based on what a “normal” life is supposed to be that keep us from being fully committed to Jesus? Stretch yourself on this question.
3. The promise of protection is that Satan will stop his attack if we resist him by standing strong in our faith. Share a time when you experienced an attack and your faith made Satan flee. (James 4:7)
4. As you think about all the problems facing our country and the world, why is it so important for Christians to be “woke” to the plans and schemes of Satan? How does this help us rise above our human solutions and engage in spiritual transformation? (Ephesians 6:10-13)

MEMORY VERSE

“Be self-controlled and alert. Your enemy the devil prowls around like a roaring lion looking for someone to devour. Resist him, standing firm in the faith, because you know that your brothers throughout the world are undergoing the same kind of sufferings.”
