A New Beginning *Genesis 9*

Big idea:

New life is offered through our promise-keeping God.

1. God deeply values life.
2. God deeply values trust.

MY APPLICATION

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or small group.

1. What do you do when you see the brokenness of the world around you?
2. God is a promise-keeper. Are there areas of your life where you aren't trusting Him? Why?
3. God designed the family to be relationships of love, respect, and honor. Why is it often difficult to keep these central relationships healthy? What is a way you could help make your home and family stronger?
4. COVID has been a storm in our lives that we will emerge from someday soon. How do you want your life to look differently than it used to in this new beginning?

MEMORY VERSE

"Whenever the rainbow appears in the clouds, I will see it and remember the everlasting covenant between God and all living creatures of every kind on the earth."
